PARENT EXPECTATIONS

Please be informed of the following:

Volunteer Obligation as directed by your coach is expected.

To be eligible to play in Group 4 League, all boys/girls must attend Sacred Heart religious education classes.

You will be asked to assist with home games with regards to running the kitchen and collecting money at the door, as well as fundraising. Parents should arrive 30 minutes before scheduled game time when collecting money at the door and arrive 15 minutes prior when scheduled to work the kitchen. Depending on the number of home games and players per team will determine how many times you will be asked to work home games.

There is absolutely no parking in the lot adjacent to the gymnasium. Please park in the church parking lot or on Forest Place.

We would like to encourage any parent interested in coaching to get involved. The requirements to become a coach are a (2) step process. (1) To attend "Protecting God's Children" workshop, (2) Complete "Archdiocese of Newark application for volunteers."

Any parent involved with any aspect of the team (coaching, etc) must fulfill these two requirements (see above). Any team that fails to comply with these requirements will result in loss of gym time up to and including forfeiting remaining games in the league.

Conduct consistent with Youth Sports is expected of our participants, parents and guests. Disparaging remarks about players, coaches, opponents, the program at games, practices or on social media is strictly prohibited.

I/we agree with the above * **Parent/Guardian**
