CHOOSING OF A SAINT NAME

Names of saints are chosen to serve as patrons and models for those being confirmed. Many people choose a saint's name as their "Confirmation Name." The preferred name to be used is your baptismal name because it expresses the relationship that exists between Baptism and Confirmation. If a new name is taken, however, it should be the name of a recognized saint of the Catholic Church. If the baptismal name is not that of a recognized saint, a new name should be chosen for Confirmation.

Candidates should choose a patron saint's name, not because of the attractiveness of the name, but because of the attractiveness of the Christian life that the saint led. You may want to choose the name of a saint who represents the type of Christian you wish to be. It is important to learn as much as you can about this saint.
